

Ringmaster Fly-A-Thon 2016

**The Brotherhood of the Ring is sponsoring its 9th Annual Fly-A-Thon event:
October 1st & 2nd, 2016**

Matt Kania's beloved Ringmaster control line model has been built and flown by more modelers than any other control line model airplane!

This is not a contest! No registration is required. There are no entry fees or prizes! This Fly-A-Thon is to *honor* the most popular CL model ever!! Be part of something big and help make history by having more worldwide Ringmaster flights in a single weekend than last year's record of **3487** flights!

A record **684** different pilots participated!!

This event is open to **all** participants **worldwide!**

On October 1st & 2nd, we challenge you to fly any one or more of the many varieties of Ringmasters, old or new, and report your flights to: 2016flyathon@ringmasterflyathon.com

Deadline for reporting is **12:00 noon Eastern time (USA) Tuesday October 4th**

Location: Wherever you are!

Any Ringmaster from 1/2A to Giant and all variants in between can be flown.

Please report, how many total Ringmaster **flights** were made, how many different **pilots** flew, how many **different** Ringmasters flew and the **location** of these flights. Please feel free to include *lots of details* of your event as we plan to chronicle the Fly-A-Thon for future publication!!! If you get a new pilot to solo on a Ringmaster, that first flight will count as 2 flights!

****This year a minimum of 5 laps is required to count as an official flight!****

Let's keep the spirit of C/L alive!

Ok everyone! Just dig that old dusty Ringmaster from your attic and go fly it!

The results will be compiled and published by the Brotherhood of the Ring.

All questions should be directed to the primary contact: 2016flyathon@ringmasterflyathon.com
