

Ringmaster Fly-A-Thon 2014

**The Brotherhood of the Ring is sponsoring its 7th Annual Fly-A-Thon event:
October 4th & 5th, 2014**

Matt Kania's beloved Ringmaster control line model has been built and flown by more modelers than any other control line model airplane!

This is not a contest! No registration is required. There are no entry fees or prizes! This Fly-A-Thon is to *honor* the most popular CL model ever!! Be part of something big and help make history by having more worldwide Ringmaster flights in a single weekend than last year's record of **2334** flights!

This event is open to *all* participants *worldwide*!

On October 4th & 5th, we challenge you to fly any one or more of the many varieties of Ringmasters, old or new, and report your flights to: flyathon2014@yahoo.com

Deadline for reporting is 12:00 noon Eastern time (USA) Tuesday October 7th

Location: *Wherever you are!*

Any Ringmaster from 1/2A to Giant can be flown.

Please report, how many total Ringmaster flights were made, how many different Ringmasters flew and the **location** of these flights. Please include the participants and *lots of details* of your event as we plan to chronicle the Fly-A-Thon for future publication in Control Line World.

If you get a new pilot to solo on a Ringmaster, that flight will count as 2 flights!

Let's keep the spirit of C/L alive!

Ok everyone! Just dig that old dusty Ringmaster from your attic and *go fly it!*

*The results will be compiled and published by the **Brotherhood of the Ring**.*
