

Ringmaster Fly-A-Thon 2023

**The Brotherhood of the Ring is sponsoring its 16th Annual Fly-A-Thon event:
October 7th & 8th, 2023**

Matt Kania's beloved Ringmaster control line model has been built and flown by more modelers than any other control line model airplane!

This is not a contest! No registration is required. There are no entry fees or prizes! This Fly-A-Thon is to **honor** the most popular CL model ever!! Be part of something really big and help make history by having more worldwide Ringmaster flights in a single weekend than our last record of **605 Pilots & 10,481 flights** from 2022!

Goal this year is 10,900+ flights by 700+ pilots!!

This event is open to *all* participants *worldwide*!

On October 7th & 8th, we challenge you to fly any one or more of the many varieties of Ringmasters, old or new, and report your flights to: www.ringmasterflyathon.com

Deadline for reporting is 12:00 noon Eastern time (USA) Tuesday October 17th

Location: *Wherever you are in the world!*

Any Ringmaster from 1/2A to Giant and all variants in between can be flown.

Please report, how many total Ringmaster **flights** were made, how many different **pilots** flew, how many **different** Ringmasters flew and the **location** of these flights. Please feel free to include *lots of details* of your event as we plan to chronicle the Fly-A-Thon for future publication!!! If you get a new pilot to solo on a Ringmaster, that first flight will count as 2 flights!

**** A minimum of 5 laps & 30 second pause is required to count as an official flight! ****

Let's keep the spirit of C/L alive!

Ok everyone! Just dig that old dusty Ringmaster from your attic and *go fly it!*

*The results will be compiled and published by the **Brotherhood of the Ring.***

All questions should be directed to the primary contact: 2023flyathon@ringmasterflyathon.com
